### \*\*PROBLEM DESCRIPTION\*\*

We've got a bit of a situation here. We received a shipment of Meijer Brand canned goods, and unfortunately, a lot of 'em are damaged. I'm talkin' dented, crushed, you name it. We're lookin' at probably around 20 cases that are unusable.

Okay, James, sorry to hear that. Can you tell me more about the damage? Is it just cosmetic or is the product itself compromised?

Well, some of it's just dented, but other cases have actual holes in 'em. I'm worried about the quality of the product, ya know? (background noise of store announcements) Oh, sorry 'bout that, Karen. We're gettin' ready for a sale this weekend.

No worries, James. I'm here to help. So, just to clarify, this is all Meijer Brand product, correct? And you've already inspected the shipment and confirmed the damage?
