****OPENING****

Agent: Asset Protection, this is Karen. How can I help you today?

Caller: Hi Karen, this is Matthew Rodriguez, Store Manager at the N. Hamilton Road store in Columbus.

Agent: Hi Matthew, nice to talk to you. How's everything going at your store today?

Caller: Oh, you know, just trying to get through the morning rush. We've got a bit of a situation on our hands, though.

****PROBLEM DESCRIPTION****

Caller: So, I've got an employee issue that's requiring some assistance. One of our team members is having some trouble with their login credentials for the POS system.

Agent: Okay, can you tell me more about what's happening with their login credentials?

Caller: (background noise of store announcements) Sorry about that, Karen. Okay, so they're getting an error message saying their password is invalid, but they're sure they're using the right one.

Agent: Alright, that's frustrating. Have you tried resetting their password or checking to see if their account is locked out?

Caller: Yeah, we've tried resetting it, but it's not working. And I've checked the account, it's not locked out.

Agent: Okay, got it. Can you tell me what kind of device they're using to log in?

****TROUBLESHOOTING/RESOLUTION****

Agent: Okay, Matthew, I think I see what might be going on here. I'm going to go ahead and create a ticket for this issue, which will be MEI-5994. I'm going to escalate this to our IT team to get it resolved as soon as possible.
